Subject: Important Notification Regarding Data Breach

Dear [Recipient's Name],

We are writing to inform you of a data security incident that may have involved your personal information. At WealthKeel LLC, we take the privacy and security of your information very seriously, and we deeply regret any inconvenience this incident may cause.

What Happened?

On November 7, 2025, we discovered that unauthorized access to an employee's email account occurred, potentially exposing certain personal information. Upon learning of the incident, we immediately took steps to secure our systems and launched an investigation to determine the scope of the breach.

What Information Was Involved?

Based on our investigation, the information involved in this incident may include your Social Security Number (SSN), account numbers, name, address, and email address. At this time, we have no evidence to suggest that any other personal information was affected.

What We Are Doing

We have taken the following steps to address this incident:

- Engaged cybersecurity experts to investigate and enhance our security measures.
- Notified law enforcement and relevant regulatory authorities.
- Implemented additional safeguards to prevent future incidents.

Additionally, we are offering complimentary credit monitoring and identity theft protection services for one year through IDX. These services include credit monitoring, identity theft insurance, and fraud resolution assistance. To sign up, please visit https://app.idx.us/account-creation/protect/ and provide your activation code: [enter code].

What You Can Do

We encourage you to take the following steps to protect your information:

1. Monitor your financial accounts and credit reports for any suspicious activity.
2. Consider placing a fraud alert or security freeze on your credit file. Contact information for the major credit reporting agencies is provided below:
