Notice of Data Security Incident

Dear [redacted]

We are writing to inform you of an incident that may have exposed your personal information. We take the security of your personal information seriously and want to provide you with information and resources that you can use to protect your information going forward.

What Happened:

On or about August 29, 2025, we detected a network security incident, in which an unauthorized third-party accessed our network environment. We immediately engaged third-party forensic specialists to assist us with securing the network environment and investigating the extent of any unauthorized activity. Our investigation, which was completed on October 17, 2025, subsequently determined that an unauthorized third party acquired certain individual personal information during this incident. We then undertook an in-depth review of the impacted information to find to whom it pertained and their address information. This process recently concluded on November 17, 2025.

We found no evidence that your information has been specifically misused; however, it is possible that the following personal information, if you provided such, could have been accessed by an unauthorized third party: first and last name, social security number, driver's license number, and bank account number and routing number.

What We Are Doing:

Data security is one of our highest priorities. Upon detecting this incident, we moved quickly to initiate a response, which included conducting an investigation with the assistance of forensic specialists and confirming the security of our network environment. We wiped and rebuilt affected systems and have taken steps to bolster our network security. We are also reviewing and altering our policies, procedures, and network security software relating to the security of our systems and servers, as well as how we store and manage data. Further, we notified the FBI and are fully cooperating with their investigation.

Additionally, while we have no evidence that your information has been misused, we are providing you with access to Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score services at no charge. These services provide you with alerts for 12 months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau. Finally, we are providing you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services.

To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at https://www.consumer.ftc.gov/articles/0155-free-credit-reports) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles.

The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

Equifax Security Freeze	**Experian Security Freeze**	**TransUnion Security Freeze**
P.O. Box 105788 Atlanta, GA 30348 1-888-298-0045 https://www.equifax.com/personal/credit-report-services/credit-freeze/	P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html	P.O. Box 160 Woodlyn, PA 19094 1-800-916-8800 www.transunion.com/credit-freeze

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with:

- Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf);
- TransUnion (https://www.transunion.com/fraud-alerts); or
- Experian (https://www.experian.com/fraud/center.html).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are listed above.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

File Police Report: You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

FTC and Attorneys General: You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General. The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580, www.identitytheft.gov, 1-877-ID-THEFT (1-877-438-4338), TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them.
