RE: Notice of Data Security Incident

Dear Sir or Madam:

We represent DocketWise, an immigration and case management solution designed for legal professionals, and in particular immigration attorneys, located at 3700 N. Capital of Texas Hwy, Austin, TX 78746. We are writing to notify your Office of a data security incident that affected certain personal information of 13 Maine residents. By providing this notice, DocketWise does not waive any rights or defenses, including but not limited to rights or defenses regarding the applicability of Maine law, the applicability of Maine's data event notification statute, or personal jurisdiction.

Notice of Data Security Incident

In October 2025, DocketWise determined that the credentials to one of its third-party partner instances may have been accessed. DocketWise immediately initiated an investigation, with the assistance of third-party cybersecurity experts, to determine the nature and scope of the suspected unauthorized activity and to assist with remediation. The forensic investigation subsequently confirmed that an unauthorized actor(s) used valid credentials to clone certain third-party partner repositories, some of which were used as part of a data migration pipeline for the DocketWise application; this application contained unstructured data belonging to DocketWise's law firm customers, including certain personal information of the customers' clients (the "Incident"). The forensic investigation has since completed and the experts confirmed that there is no evidence of any ongoing unauthorized activity.

DocketWise, with the assistance of a leading data analytics firm, conducted a comprehensive and time-intensive review of the impacted data to determine ownership, identify the types of personal information at risk, and determine to whom the personal information pertains. The data review effort identified personal information provided to DocketWise by its law firm customers, making these customers the data owners of said personal information ("Affected Data Owner Customers"). Following the third-party review, DocketWise conducted a review of its internal files to further assess the impacted data to ensure proper attribution to its Affected Data Owner Customers. After analyzing the data review results and making necessary preparations, DocketWise began notifying Affected

Data Owner Customers of the Incident and offered to notify, on their behalf, their affected clients and applicable state regulators, offering them until March 5, 2026, to confirm their election ("DocketWise's Notification Offer"). DocketWise then coordinated with various Affected Data Owner Customers to further enrich the data review results with supplemental address information.

On April 3, 2026, DocketWise began notifying, on behalf of Affected Data Owner Customers, potentially impacted individuals. Ultimately, DocketWise accommodated Affected Data Owner Customers who made their elections after the March 5, 2026 date, which has necessitated multiple rounds of notifications to potentially impacted individuals.

DocketWise is notifying your Office on behalf of the Affected Data Owner Customers listed in *Exhibit A*. The impacted information varies by individual but includes some or all of the following: name, mailing address, Social Security number, and governmental ID number.

Notice to Maine Residents

On April 3, 2026, DocketWise began notifying, on behalf of certain Affected Data Owner Customers, potentially impacted individuals, which includes Maine residents. Written notice is being provided in substantially the same form as the letter attached hereto as *Exhibit B*. The notification letter includes access to complimentary credit monitoring and identity restoration services for twenty-four (24) months through IDX. DocketWise also provided substitute notice of the Incident.

Other Steps Taken and to be Taken

Upon discovery of the Incident, DocketWise immediately took steps to investigate and remediate the Incident. DocketWise implemented additional measures to further enhance its cybersecurity posture and is reviewing existing policies to further protect against similar incidents moving forward.

Although DocketWise is unaware of any instances since the Incident occurred in which the personal information has been fraudulently used, DocketWise is nevertheless offering potentially impacted individuals with access to complimentary credit monitoring and identity restoration and dedicated call center services for twenty-four (24) months. DocketWise is also providing guidance on how to protect against identity theft and fraud, including advising individuals to report any suspected identity theft or fraud to their financial institutions. DocketWise is providing individuals with information on how to place a fraud alert and security freeze on one's credit file, the contact details for the national credit reporting agencies, information on how to obtain a free credit report, a reminder to remain vigilant for fraud and identity theft by reviewing account statements and monitoring credit reports, and encouragement to contact the Federal Trade Commission, their Attorney General, and law enforcement to report attempted or actual identity theft and fraud.

Contact Information

Should you have any questions regarding this notification or other aspects of the Incident, please contact me at (212) 813 8048 or petermarta@goodwinlaw.com

Re: <<Notice of Security Incident>> / <<Notice of Data Breach>>

DocketWise, located at 3700 N. Capital of Texas Hwy, Austin, TX 78746, is writing to make you aware of a security incident that resulted in unauthorized access to certain personal information related to you (the "Incident"). DocketWise is an immigration and case management solution designed for legal professionals, and in particular immigration attorneys. DocketWise received your information in the course of its business relationship with your immigration law firm. We write to provide you with information about the Incident, the steps we have taken since discovering the Incident, and the steps you can take to better protect your information should you feel it appropriate to do so.

What Happened? In October 2025, DocketWise suspected that the credentials to one of its third-party partner repositories may have been accessed. DocketWise immediately initiated an investigation, with the assistance of third-party cybersecurity experts, to determine the nature and scope of the suspected unauthorized activity and to assist with remediation. The forensic investigation subsequently confirmed that an unauthorized actor(s) used valid credentials to clone certain third-party partner repositories, some of which were used as part of a data migration pipeline for the DocketWise application; this application contained law firm records with your personal information. The cybersecurity experts have confirmed that there is no evidence of any ongoing unauthorized activity and our systems are secure. Please also know that DocketWise has notified the Federal Bureau of Investigation ("FBI") of the activity.

DocketWise, with the assistance of a leading data analytics firm, conducted a thorough and time-intensive review of the impacted data to determine ownership, identify the types of personal information potentially impacted, and determine to whom the personal information pertains. In addition, DocketWise conducted a review of its internal files to further assess the impacted data. Following the review, DocketWise determined that some of your personal information was subject to unauthorized acquisition. Please note, we have no evidence to indicate the Incident was intended to target immigration firms, or has resulted in publication of, personally identifiable information ("PII").

What Information Was Involved? The investigation determined that the impacted information varied from person to person, but included the following types of your information: your name, <<variable data elements>>.

What We Are Doing. Information security is among DocketWise's highest priorities, and we have strict security measures in place to help protect all information in our care. Upon becoming aware of the Incident, we immediately took steps to investigate and remediate. We implemented additional measures to further enhance our cybersecurity posture and are reviewing existing policies to further protect against similar incidents moving forward.

What You Can Do. We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your financial account statements and credit reports for any anomalies. We also encourage you to review the enclosed *Steps You Can Take to Help Protect Your Personal Information* for additional guidance and to enroll to receive the two (2) years of complimentary credit monitoring and identity restoration services being offered to you, where available.

For More Information. We understand that you may have questions or concerns that are not addressed in this letter. Please call the dedicated assistance line that we have established regarding the Incident by dialing 1-844-890-7449 Monday through Friday from 9 am – 9 pm Eastern Time, excluding U.S. holidays.

DocketWise sincerely regrets any inconvenience or concern the Incident may have caused you.

Sincerely,

DocketWise

Steps You Can Take to Help Protect Your Personal Information

Enroll in Complimentary Credit Monitoring

- Call 1-844-890-7449 or visit https://app.idx.us/account-creation/protect and use the Enrollment Code provided above.

- IDX representatives are available Monday through Friday from 9 am - 9 pm Eastern Time. Please note, the deadline to enroll is **July 3, 2026**.

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

Place a Security Freeze

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian	**TransUnion**	**Equifax**
P.O. Box 9554	P.O. Box 160	P.O. Box 105788
Allen, TX 75013	Woodlyn, PA 19094	Atlanta, GA 30348-5788

www.experian.com/freeze/center.html	www.transunion.com/credit-freeze	www.equifax.com/personal/credit-report-services

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

Place a Fraud Alert

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a one (1)-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven (7) years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:

Experian	**TransUnion**	**Equifax**
P.O. Box 9554	P.O. Box 2000	P.O. Box 105069
Allen, TX 75013	Chester, PA 19016	Atlanta, GA 30348

Additional Information

You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General.

The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580, www.identitytheft.gov, 1-877-ID-THEFT (1-877-438-4338); TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement and your state Attorney General. This notice has not been delayed by law enforcement.
