

SUMMARY OF BOARD COMMENTS TO STAFF—CHAPTER 20

PUBLIC MEETING ON FEBRUARY 18, 2022

Board Comments Received	Staff Answers
Wondering if HDPE containers should be changed to all fluorinated containers	Provided 2 versions of the proposed rule; one with HDPE container information gathered and one with all fluorinated container information gathered.
Wanting to clarify if affidavits are public documents and how staff would execute this	Staff clarified that these documents could be published on a regular basis on the Board website.
