

**Obsolete Pesticide Collection
2017 summary**

Reached out to homeowners to advertise the collection:

- Sent out official press release

- The event was advertised on Maine Public Radio

- Emailed all town offices and snail mailed all transfer stations in Maine

Included with our correspondences were: an obsolete collection info poster to be hung up, handouts detailing the obsolete collection program, and a 'read the label' handout.

2017 Collection Totals:

Presque Isle: 3,420 lbs.

Bangor: 2,200 lbs.

Augusta: 1,410 lbs.

Portland: 1,066 lbs.

Total: 8,096 lbs.

Total for 2016 year was: 3,450 pounds

This year we collected 4,540 lbs. more than 2016
