The statements of acknowledgment below must be read to each parent before it is signed, initialed and notarized. Parents must initial each of the statements provided below in order for the AOP to be valid.

We understand we have the right to talk with an attorney before signing.

We understand once we have signed this acknowledgment, we will be legally responsible for financially supporting this child until at least the age of 18, and until the age of 19 if still in high school. Parents may be required to pay for past medical expenses, birth expenses and child support for this child.

We understand by signing this acknowledgment, we will give this child a legal record identifying each of us as parents. This will enable this child to get access to Social Security or veteran benefits, inheritance rights, life insurance and access to health insurance and medical information.

We understand the completion of an Acknowledgment of Parentage does not involve custody or visitation rights. (Parents must go to court to gain rights.)

We understand that this document will be considered void if another person has already acknowledged parentage or if a court determination has already been done to establish parentage.

We understand that this acknowledgment is the equivalent of a court determination of parentage of this child and that a challenge to the acknowledgment is permitted only under limited circumstances and is not allowed after two years.

We understand that we may rescind this acknowledgment by filing a Rescission form with the Office of Data, Research, and Vital Statistics within 60 days after the Acknowledgment form has been filed and accepted.

We understand that after 60 days of filing the acknowledgment and a denial of parentage, if applicable, with the Office of Data, Research, and Vital Statistics we must obtain a court determination to rescind or challenge the acknowledgment or denial in order to remove or add a parent.

Parents must check one of the boxes in the below statements in addition to initialing.

- □ We acknowledge that the child subject to this AOP does not already have a presumed, acknowledged, or adjudicated parent. **OR**
- □ We acknowledge that the child subject to this AOP already has a presumed parent and does not have another acknowledged or adjudicated parent. It is understood that a Denial of Parentage (DOP) form from the presumed parent is required in order for this AOP to be valid.

  The full name of the presumed parent is: ______________________________________________________.

If genetic parent choose one:

- □ We acknowledge that there has not been genetic testing regarding this child’s parentage but we swear the person signing the acknowledgment believes himself to be the biological father of this child. **OR**
- □ We acknowledge that there has been genetic testing and that the acknowledging man’s claim of parentage is consistent with the results of the testing. **OR**

- □ Single Mother

- □ Married or Formerly Married Mother:
  - ▪ If the mother was married and the child was born within 300 days after the termination of the marriage, the name of the spouse shall be entered on the child’s birth certificate unless parentage has been established.
  - ▪ If a DOP is not signed by the presumed parent, do not proceed. The AOP and DOP may be filed separately or simultaneously, but neither is valid until both are filed.

We have read and understand the instructions provided. We understand the legal consequences of and the rights and responsibilities that arise from signing the acknowledgment. We have authenticated, under penalty of perjury the above statements are correct to the best of our knowledge and belief.
ACKNOWLEDGMENT OF PARENTAGE
NOTES AND INSTRUCTIONS

Each parent should carefully read all notes and instructions before completing and signing the Acknowledgment of Parentage (AOP) form.

Establishment of parentage means the establishment of a parent-child relationship. The AOP shall be signed under penalty of perjury by the woman (mother/parent) who gives birth to a child and a person, not her spouse, seeking to establish parentage.

1. SINGLE MOTHER: When a proper AOP is received by the Office of Data, Research, and Vital Statistics, the parent will be added to the child’s Certificate of Live Birth.

   A. The signatories understand that an acknowledgment of parentage is the equivalent of a court determination of parentage of the child and that a challenge to the acknowledgment is permitted only under limited circumstances and is barred after two years.

2. MOTHER IS OR WAS FORMERLY MARRIED: When a mother is or was married within 300 days of the birth of the child, the name of the spouse shall be entered on the Certificate of Live Birth, including situations when:

   A. The spouse may not be the genetic parent.
   B. The mother has been separated (legally or otherwise) from the spouse, regardless of the period of the separation.
   C. The mother was legally married or attempted to marry, and the child is born within 300 days after the termination of the marriage (unless the final divorce decree specifies that the spouse is not the natural parent).

3. AFFIDAVIT OF DENIAL OF PARENTAGE (DOP): If a married or formerly married mother claims that her spouse or ex-spouse is not the genetic parent of the child and the genetic parent would like to acknowledge parentage, the spouse may complete a Denial of Parentage (DOP). At that time, the mother and genetic parent must submit an AOP along with the DOP. The AOP and DOP may be filed separately or simultaneously, but neither is valid unless both are filed with the Office of Data, Research, and Vital Statistics.

4. LEGAL CITATIONS: Title 19-A Chapter 61: The Maine Parentage Act

   “Presumed parent” means a person who is recognized as the parent of the child until that status is rebutted or confirmed in a judicial proceeding.

   A person is presumed to be the parent of a child if:

   A. The person and the woman giving birth to the child are married to each other and the child is born during the marriage; or
   B. The person and the woman giving birth to the child were married to each other and the child is born within 300 days after the marriage is terminated by death, annulment, divorce or declaration of invalidity or after a decree of separation; or
   C. Before the birth of the child, the person and the women giving birth to the child married each other in apparent compliance with law, even if the attempted marriage is or could be declared invalid, and the child is born during the invalid marriage or within 300 days after its termination by death, annulment, divorce or declaration of invalidity or after a decree of separation.
