**Commendations**

- \* Thank you for providing the requested documentation to validate the claims for reimbursement. The months of October and December 2021 were reviewed and validated, no errors were noted. We appreciate your flexibility in working with us and thank you for all of your hard work!

**Technical Assistance**

- \* A Triennial Assessment of the Local Wellness policy is required every three years. The most recent Wellness Policy is dated 03-09-2009. A sample assessment form can be found on our website. The triennial assessment has not yet been completed. The deadline is June 2022.
- \* A review of the expenses for the FFV Program showed that the award for Hodgdon Middle School has been overspent. The award is \$3,888.00 and claims for reimbursement for Oct - Dec totals \$3,946.70. Stephanie Stambach the individual overseeing this program must be contacted to determine an appropriate correction.
- \* Hodgdon Elementary School was awarded \$14,200.00 for the FFV Program for October 2021 - June 2022. A review of the claims for October - December shows 55% of the award has been spent. Please budget carefully to not overspend this award. If more funds are desired, please contact Stephanie Stambach.
