Dear Mrs. King:

The ME Arts Academy Nutrition Program was reviewed in December 2021 per Federal Regulation 7CFR 210.18 and Maine Department of Education Child Nutrition policies and procedures.

The enclosed Official Notification of Review Findings and Corrective Action describes the corrective action documentation required. Please submit a detailed response for each of the review findings listed in the report. Responses must be submitted through CNPweb, Maine Department of Education Child Nutrition's Administrative Review software, and must address the following:

- How the finding was corrected (include who, when & how)
- Documentation that the finding has been corrected district-wide
- How this action will ensure future compliance

In accordance with §210.18(k), failure to return completed documentation within 30 days from the corrective action deadline date will result in the withholding of reimbursement payments. We hope that following the exit conference you and your staff addressed the corrective actions and that you will have no problems in meeting the response deadline.

The Official Notification also provides the potential fiscal action, which is an initial estimate of the amount of reimbursement that will be reclaimed. These are only estimates which must be adjusted to the actual date of corrective action for each violation. If documentation of corrective action or acceptable corrective action is not received by the response date stated above, the claim will be recalculated to the end of the school year.

Local Education Agencies have the right to appeal findings which impact their reimbursement. For more information visit <https://www.maine.gov/doe/sites/maine.gov/doe/files/inline-files/Child%20Nutrition%20Appeals%20Process.pdf>

We hope that this review has been helpful to you and your staff. If you should have any questions, or if we can assist in any way please feel free to contact Adriane Ackroyd at 592-1722 or email [Adriane.ackroyd@maine.gov](mailto:Adriane.ackroyd@maine.gov).

Sincerely,
