Commendations

- * Sipayik Elementary School has faced the struggles of operating during Covid restrictions well. They have made adjustments as they continue to provide meals to their students through these difficult times. They have faced the challenges of staff shortages and supply chain distributions to continue to supply healthy nutritious meals for their students.

No Findings during Review

There were no findings during the review, the meal patten is being met. The Sipayik Elementary School is in a new building this year. The challenges of a new building and the challenges of meeting USDA requirements during these difficult times are being met.
