Please completely describe the basis for the SAU's one-year waiver request and further

describe how the SAU is meeting the needs of the gifted and talented population in your district (Use as much space as necessary):

I am submitted this request for a waiver based on past conversations with State G/T officials. Our K-8 school has an enrollment of 65 students and the application form for GT Approval just doesn't "fit" into our very small box. We are a consistently high performing school and we pride ourselves on meeting the needs of all students from the most challenging to the most gifted. We have adapted our schedule to include a Response to Intervention Program for those in need and a Spinnaker Program for those who excel. We have monthly Student Assistance Team meetings to ensure all students' needs are being met.

We requested this waiver last year and it was granted without hesitation. Patti Drapeau was instrumental in guiding us through this process to make it "fit" for our school.

Sincerely,

Scott A. White
