Re: Notice of Data Security Incident

Dear <<First Name>> <<Last Name>>,

Stratis Visuals, LLC ("Stratis Visuals") is writing to inform you of an incident that may have involved your personal information. Stratis Visuals takes the privacy and security of all information very seriously. That is why I am writing to inform you of the incident and to advise you of certain steps that you can take to help protect your personal information.

What Happened? On September 30, 2021, Stratis Visuals discovered that it had experienced an encryption event disrupting access to certain of its computer systems. In response, Stratis Visuals took immediate steps to contain the incident and to secure its digital environment. To that end, Stratis Visuals engaged an independent digital forensics firm to investigate the incident and to assist with its restoration efforts. Stratis Visuals has no evidence that your personal information was impacted as a result of this incident but is providing notice of this incident to you because your personal information was stored on certain of the encrypted computer systems.

What Information Was Involved? The personal information belonging to you that was stored on certain of the encrypted computer systems included your name, << Variable Text >>

What Are We Doing? As soon as Stratis Visuals discovered the incident, Stratis Visuals took the steps described above and implemented measures to enhance security in an effort to minimize the risk of a similar incident occurring in the future. In addition, although Stratis Visuals has no evidence of the misuse of any potentially impacted information, Stratis Visuals is providing you with information about steps that you can take to help protect your personal information and is offering you complimentary identity protection services through IDX – a data breach and recovery services expert. These services include <<12 / 24>> months of credit¹ and dark web monitoring, a \$1 million identity fraud loss reimbursement policy, and fully managed identity theft recovery services. Please note you must enroll by April 26, 2022.

What You Can Do: Please review the recommendations on the following page which describes steps you can take to help safeguard your information. Stratis Visuals also encourages you to activate the complimentary identity protection services being offered to you through IDX by using the enrollment code provided above.

For More Information: If you have questions or need assistance, please call IDX at 1-800-939-4170 from 9:00 A.M. to 9:00 P.M. Eastern Time, Monday through Friday (excluding holidays).

¹ To receive credit monitoring services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

Protecting your information is important to us. Please know that we take this incident very seriously, and deeply regret any worry or inconvenience that this may cause you.

Sincerely,

Darci Vallez

STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting http://www.annualcreditreport.com/, calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You also can contact one of the following three national credit reporting agencies:

Equifax	Experian	TransUnion
P.O. Box 105851	P.O. Box 9532	P.O. Box 1000
Atlanta, GA 30348	Allen, TX 75013	Chester, PA 19016

www.equifax.com	www.experian.com	www.transunion.com

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at http://www.annualcreditreport.com.

Security Freeze: You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC, or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state.
