Re: Burnett Security Incident

Dear [REDACTED]:

We are writing to inform you of a recent security incident affecting a portion of our stored electronic data. That data may have included your personal information, the privacy and security of which are of the utmost importance to the Company, whether you are or were affiliated with Wm. T. Burnett & Co. and STX, LLC (“Company”). We wanted to provide you with information about the incident, explain the services we have made available to you, and let you know that we continue to take significant measures to protect your information.

What Happened?

The Company recently experienced a cybersecurity incident involving ransomware. Upon learning of this issue, we quickly contained the threat by disabling all unauthorized access to the network and immediately launched an investigation in consultation with outside cybersecurity professionals who regularly investigate and analyze these types of situations to determine the extent of any compromise of the information on our network. Though our investigation is still ongoing, we concluded on or about October 6, 2022 that your personal information may have been accessed or acquired in connection with this incident.

What Information Was Involved?

The potentially acquired information included your personal information, specifically your [REDACTED]. The impacted information could also have included your [REDACTED].

What You Can Do.

To date, we are not aware of any misuse of your information as a result of this incident. Out of an abundance of caution, however, we want to advise you on the incident, explain the services we are making available to help safeguard you against identity fraud, and suggest steps that you should take as well. To protect you from potential misuse of your information, we are offering a complimentary one-year membership of identity theft protection services through IDX, the data breach and recovery services expert. IDX identity protection services include: 12 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed identity theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised.

This letter also provides other precautionary measures you can take to protect your personal information, including placing a fraud alert and/or security freeze on your credit files, and/or obtaining a free credit report. Additionally, you should always remain vigilant in reviewing your financial account statements and credit reports for fraudulent or irregular activity on a regular basis.

For More Information.

We apologize for the inconvenience caused by this attack, which occurred despite our focused efforts to combat this criminal behavior. We remain committed to maintaining the privacy of personal information in our possession and have taken many precautions to safeguard it. In response to this incident, we have strengthened our network and implemented additional security improvements recommended by third-party cyber security experts, including resetting account passwords and strengthening our password security policies, ensuring compliance with multi-factor authentication for network access, upgrading our firewall, and deploying endpoint detection software.

If you have any further questions regarding this incident, please call our dedicated and confidential toll-free response line that we have set up to respond to questions. Please call [REDACTED] or go to <https://app.idx.us/account-creation/protect> for assistance or for any additional questions you may have. IDX representatives are available Monday through Friday from 9 am - 9 pm Eastern Time.

Sincerely,

Wm. T. Burnett & Co.

2. VISIT the **IDX website** to enroll: <https://app.idx.us/account-creation/protect>
3. PROVIDE the **Enrollment Code Above**

If you have questions about the product or if you would like to enroll over the phone, please contact IDX at 1-800-939-4170. IDX representatives are available Monday through Friday from 9 am - 9 pm Eastern Time.

2. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary 12-month credit monitoring services, we recommend that you place an initial 1-year “fraud alert” on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax

P.O. Box 105788
Atlanta, GA 30348
<https://www.equifax.com/personal/credit-report-services/credit-fraud-alerts/>
(800) 525-6285

Experian

P.O. Box 9554
Allen, TX 75013
<https://www.experian.com/fraud/center.html>
(888) 397-3742

TransUnion LLC

P.O. Box 6790
Fullerton, PA 92834-6790
<https://www.transunion.com/fraud-alerts>
(800) 680-7289

3. Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a “security freeze” be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze

P.O. Box 105788
Atlanta, GA 30348-5788
<https://www.equifax.com/personal/credit-report-services/credit-freeze/>
(888) 298-0045

Experian Security Freeze

P.O. Box 9554
Allen, TX 75013
<http://experian.com/freeze>
(888) 397-3742

TransUnion Security Freeze

P.O. Box 160
Woodlyn, PA 19094
<https://www.transunion.com/credit-freeze>
(888) 909-8872

In order to place the security freeze, you’ll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at www.annualcreditreport.com. Once you receive your credit reports, review them for discrepancies. Identify any

accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the city in which you currently reside.
