Re: Documentation for Registration Form for Distributed Generation (DG)/Net Energy Billing (NEB) Project Sponsors and Related Entities question: Has your company or any of its affiliates currently or within the past five years been subject to enforcement action in other jurisdictions?

Please find below documentation regarding the two enforcement actions Arcadia has been subject to within the past five years. Both were promptly resolved to the satisfaction of the relevant authority.

Exhibit 1

On January 8, 2020, the Illinois Commerce Commission issued a Citation Order against Arcadia Power, Inc. (“Arcadia”) for failure to file a Compliance Recertification Report for 2017, pursuant to 83 Ill. Adm. Code 454. Arcadia has filed the missing report, and on January 29, 2020, the Staff of the Illinois Commerce Commission and Arcadia filed a stipulation and joint motion to dismiss the citation proceeding. The action was dismissed on February 18th. For the most recent information, please refer to the eDocket for Case No. 20-0018.¹
