

Wendy King
Municipal Coordinator

Wendy has been a Municipal Coordinator for BMV since January 2016. Previously she worked for the City of Lewiston for 11 years collecting taxes and living the registration dream. She is more than happy to share her experience and knowledge of the BMV manual with any and all towns. She currently lives in Randolph, Maine with her partner-in-crime Adam, and her cat Lily. She and Adam love spending free time riding their motorcycles throughout the country, camping and gardening.
