

## Maine Veterans' Memorial Cemetery System Care Fund

Mainers are known not only for their work ethic and grit, but also their compassion and generosity.

Each year, charitable Mainers donate a portion of their tax return to the Maine Veterans' Memorial Cemetery Fund – a reserve that supports the maintenance and preservation of Maine's four veterans' cemeteries. Last year, Mainers generously contributed almost \$30,000 in appreciation of the service of our veterans.

We pride ourselves on the rich tradition of military service in our great state. Hundreds of thousands of Mainers have raised their right hand in service to their country, and it's our commitment to ensure they are honored and memorialized for their sacrifices.

This tax season, help us meet that commitment by checking the box on the bottom of your Maine tax return to donate \$5 to the Maine Veterans' Memorial Cemetery Maintenance Fund. For more information about the Maine Veterans' Memorial Cemeteries, go to [maine.gov/veterans](http://maine.gov/veterans).
